Celebrating Life with Hearts of Service

Our last month of PSR was a busy one, with our students spending time in prayer for Advent, celebrating the Sacrament of Reconciliation, collecting items for our Parish Christmas Giving Tree, and preparing our hearts for the birth of Christ. We have been very blessed this year with so many returning and new families, and are really enjoy our time together each week.

This year we started Family Formation Nights where each class spends a special night in prayer with their parents and classmates. It gives our families a chance know each

other outside of the classroom, to deepen their own spirituality, and learn new ways of praying as a family amidst busy lives. Our second grade families gathered this past month for their first formation night to create birthday bags for needy families at the St. Anthony of Padua Food Pantry. These bags helped all families to smile during difficult times, and provided them the chance to celebrate special milestones. PSR families made birthday cards, decorated bags, and filled them with cake mix, candles, and sprinkles. We are all created in God's image and likeness, and we all have dignity. We teach our PSR community to help our brothers and sisters through works of mercy, so others can encounter Jesus.

GET CONNECTED: For more information about our PSR Ministry, please contact **Ann Kelly**, PSR Coordinator, at PSR@goannunciation.com.
