Serving Those in Need

Last month our PSR students prepared winter kits for the homeless to donate to the Saint Vincent De Paul food pantry. Thanks to the many wonderful donations from our parish family and PSR community, the students put together five overflowing boxes of kits, one large box of gloves and socks, and several bags of peanut butter crackers! Each kit included a card decorated and colored by our first, second, and third graders. They included messages of hope and inspiration to bring a smile to those who will read them. A prayer card was also included with a personal note wishing the recipients messages of love and prayers.

Our 4th-8th graders assembled the kits and filled each kit with needed supplies, joy, and love. Thanks to so many volunteers who helped put the kits together during that PSR night. The kits were donated to the Saint Vincent de Paul food pantry in downtown St. Louis, and were handed out during their lunch and dinner services.
