The Real Presence of Christ

Congratulations to our second graders who received their First Holy Communion this past month! God has poured out his endless love and mercy to them in this Sacrament. What a blessing that they can now receive the Eucharist with their families at every Mass. The Eucharist means thanksgiving, and it is the source and summit of our faith.

Every time we receive communion, we are united to Christ and His Church. We are brought deeper into the relationship of love within the Trinity, and we encounter Jesus, who brings Heaven to Earth. We are so blessed to experience this miracle every time we participate in the Mass.

Hearts Afire with the Holy Spirit

Congratulations to all of our eighth graders who were confirmed at their parishes this month! Several of our parishioners from PSR and HCA received Confirmation together at the Cathedral Basilica with Archbishop Rozanski. It was a

very holy and grace-filled celebration. These students received the fire of the Holy Spirit. Now they are commissioned to go and set the world on fire with the love of Jesus! Let us keep them in prayer. We are grateful to the families and parishioners who help witness their faith to the kids, and offer support to our PSR Ministry.
