## Blessing Bags for the Homeless

Last month we made 'Blessing Bags' during a 3<sup>rd</sup>-8<sup>th</sup> Grade PSR 'Family Service Night'. Families gathered in the cafeteria to pray for the homeless and those in need who would receive the care packages. Mrs. Ann Kelly, PSR

Director, led the families in prayer and reflection, focusing on the importance of participating in works of mercy in our everyday lives.

Families then worked together to fill the 'Blessing Bags' with supplies donated by the PSR families. Mrs. Kelly explained that the kits made by families could be put in their cars to have on hand when they see someone on the street in need. The kits were filled

with supplies such as, granola bars, bottled water,

toothbrushes, toothpaste, floss, hand warmers, a Rosary or other religious item, handmade cards with encouraging words, and much more.

## 2<sup>nd</sup> Grade Preparation Skit

Our 2<sup>nd</sup> Graders participated in a First Reconciliation skit in class in November as one of their final preparations for their December First Reconciliation. We are so proud of how much they have learned and grown in their faith this year. Congratulations to students and families on their December First Reconciliation! Please continue to keep our PSR families in your prayers.
