ANNUNCIATION CHILDREN'S LITURGY

Liturgy of the Word is a special liturgy available at 10:00 am Mass. Each week a theme that correlates to the Sunday readings and Gospel is presented to the children using age appropriate materials. The adult catechists incorporate prayer, song, group discussion, worksheet, and other activities so the children can relate the Word of God to daily life. The children depart from the front of church after a blessing from the priest prior to the first reading, gather in the school building for the lesson, and return during offertory.

"Helpers Needed" This "helper" role takes no preparation time and you really don't even have to do anything during the lesson except be present. Please contact Jamie Mealey via phone or email for more information, we would love to have you join us! 314-753-9460 or jmealey@monetagroup.com

Have you ever experienced something so joyful you just had to share it with someone else?

Maybe it was a story, movie, funny joke, vacation, etc. Well, the joy of being a Catholic Christian is to share the beautiful, Jesus, with other people. It is through Jesus we come to profoundly know the joy of The Father, Son & Holy Spirit. The first way we share that joy is by the way we live! The second way of sharing that joy is to tell others about Jesus through our joyfully lived Catholic Christian faith. If

you are aware of someone who wants to learn more about our joyful Catholic Christian faith, have them contact Fr. Mike at 314-962-5955 or RCIA director Patrick Stack at 314-565-9143. There will be a presentation about "The Joy of the Catholic Christian Faith" on Sunday, September 9th, in the Klocker house at 11:00 A.M. The RCIA program will be explained in depth. You can tell anyone, the RCIA program is a wonderful spiritual process that prepares candidates into the joy of being a Catholic Christian.

Did you know? By 42 days from conception, the baby's brain waves can be detected by an encephalogram, and the brain is controlling 40 sets of muscles as well as the organs. The jaw forms, including teeth and taste buds. The unborn baby begins to swallow amniotic fluid. Fingers and toes are developing. By 49 days, the chest and abdomen are fully formed. Swimming with a natural swimmer's stroke in the amniotic fluid, the baby now looks like a miniature human infant.
