Dear Friends,

This time of year is a time for new beginnings...a new school year, a new year of PSR, and a parish council with new members joining! For the past three years Cathy Hencken, Carol Link, and Kevin McAuliffe faithfully and generously gave of their time to serve and represent all of you on the council. I greatly appreciated having their consultation as members of the parish council these past three years. It was a most unique and challenging three years when we successfully navigated through a pandemic. With the completion of their terms, we now welcome our new members – Anne Federico, Brian Peterson, John Ponzillo, and Sara Lucas! I hope, and we are planning, that the year ahead will be a year of us coming together more often as a community of faith to celebrate socially and prayerfully our wonderful community.

Please be sure to read the information found in this bulletin about the upcoming Listening Sessions which is next step in the process of the All Things New initiative. After reading the information, then be sure to go to the link and register for one of our two Listening Sessions which will be November 7th and 9th. Also, I would encourage you to review our parish workbook found at that same link. It provides important information about the Archdiocese, our planning area, and our parish that I think you will find most helpful and further understanding All Things New.

Blessings of peace be yours this week-

All Things New Listening Sessions

Thanks to all of you who have participated in the All Things New surveys and provided data and feedback over the past few months. The information has been enlightening, educational and fruitful as we continue to ask ourselves what our parishes, ministries and institutions need to look like in order to effectively share our Catholic faith in a way that is suitable and sustainable for our children and generations to come.

The next step in this multi-year process is to hear more robustly from you, our parishioners, about our parish. The Archdiocese of St. Louis will host over 350 listening sessions throughout our 178 parishes between October 8 - November 19, 2022. **Our Parish Listening Sessions will be Monday, November 7, 6-8pm, and Wednesday, November 9, 6-8pm. You are invited to register for our listening sessions beginning mid-September at <https://allthingsnew.archstl.org/Ways-to-Engage/Listening-Sessions>.**

Parishioners must register in order to attend a Listening Session. Registration will close once the designated room's seating capacity is reached. There will not be additional opportunities for Listening Sessions other than the ones scheduled for each parish.

Each listening session, including ours, will be facilitated by volunteer parishioners from a different parish. These trained facilitators will share pre-recorded messages from Archbishop Rozanski and Fr. Chris Martin, Vicar for Strategic Planning, with an overview of All Things New, a planning area overview and multiple DRAFT model options to consider for our respective planning area. A brief time will be allowed for small group discussion and facilitated large group feedback. The goals of the listening sessions are to engage as many of you as possible in understanding the current state of our parish and diocese and to solicit feedback from as many of you as possible about the DRAFT models options for their planning area.

After the final listening session in each planning area, the Archdiocese of St. Louis will make public the content presented at all the parish's Listening Sessions in that planning area and will offer an additional opportunity for parishioners to provide open-ended feedback through an online survey. The survey will remain open until December 31, 2022. Parishioner feedback to the models is critical, as it will be used to help shape the future of the Archdiocese of St. Louis.

In order for you to be fully prepared with accurate information before our parish listening sessions, you will receive access to our Parish Workbook. The Archdiocese of St. Louis has created Parish Workbooks as a supplementary resource to help us prepare for the listening sessions. The workbooks are meant to equip us with data about the Archdiocese of St. Louis, our local planning area, and our specific parish. Our Parish Workbook is posted on <https://allthingsnew.archstl.org/Ways-to-Engage/Parish-Workbooks> for anyone to view.

Please continue to pray for the gift of true discernment so that we may continue to do the Will of God in all things.

LISTENING SESSIONS

FREQUENTLY ASKED QUESTIONS

WHAT IS ALL THINGS NEW? We all know that the Church of today is not the same that it was 50, 100 or 150+ years ago, and yet we are still functioning in many ways out of the same mode of evangelization. We have inherited a great treasure of Catholic institutions from previous generations, but as the Catholic population and society have shifted over the past several decades, they are no longer as effective or sustainable as they once were. We need to ask ourselves what our parishes, ministries and institutions need to look like in order to effectively share the faith

in a way that is suitable and sustainable for our children and generations to come. All Things New will evaluate the effectiveness of the Church in St. Louis in proclaiming the Gospel and will identify opportunities for improvement and renewal within all parishes, schools and curia offices and agencies.

I heard a loud voice from the throne saying, "Behold, God's dwelling is with the human race. He will dwell with them and they will be his people and God himself will always be with them. He will wipe every tear from their eyes, and there shall be no more death or mourning, wailing or pain, the old order has passed away." The one who sat on the throne said, "Behold, I make all things new." Then he said, "Write these words down, for they are trustworthy and true." Revelation 21:3-5

WHAT ARE LISTENING SESSIONS AND HOW DO I ATTEND ONE AT MY PARISH? The Archdiocese of St. Louis will host over 350 listening sessions throughout our 178 parishes between October 8 and November 19, 2022. Parishioners are invited to register for their parish's listening session beginning mid-September at <https://allthingsnew.archstl.org/Ways-to-Engage/Listening-Sessions>. Parishioners must register in order to attend a Listening Session. Registration will close once the designated room's seating capacity is reached. There will not be additional opportunities for Listening Sessions other than the ones scheduled for each parish. Each listening session will be facilitated by volunteer parishioners from a different parish. These trained facilitators will share pre-recorded messages from Archbishop Rozanski and Fr. Chris Martin, Vicar for Strategic Planning, with an overview of All Things New, a planning area overview and multiple DRAFT model options to consider for the respective planning area. A brief time will be allowed for small group discussion and facilitated large group feedback.

HOW CAN I PREPARE FOR A LISTENING SESSION? The Archdiocese of St. Louis has created Parish Workbooks as a supplementary resource to help parishioners prepare for the listening sessions. The workbooks are meant to equip pastors and parishioners with data about the Archdiocese of St. Louis, their local planning area, and their specific parish. The data contained in the Parish Workbook was created by the Pastoral Planning Committee and validated by pastors and Key Parish Leaders over the past several months. The workbooks incorporate data gathered over the past twenty years from parishes across the Archdiocese of St. Louis. The Archdiocese of St. Louis is releasing the Parish Workbooks for each of our 178 parishes several weeks in advance of the listening sessions so parishioners have adequate time to review the information and fully inform themselves in preparation for their parish's scheduled listening sessions. Each Parish Workbook is posted on allthingsnew.archstl.org for anyone to view.

WHAT IS I CANNOT ATTEND A LISTENING SESSION? After the final listening session in each planning area, the Archdiocese of St. Louis will make public the content presented at all the parish's Listening Sessions in that planning area and will offer an additional opportunity for parishioners to provide open-ended feedback through an online survey. The survey will remain open until December 31, 2022. Parishioner feedback to the models is critical, as it will be used to help shape the future of the Archdiocese of St. Louis.

WHAT IS A PLANNING AREA? A Planning Area is a number of parishes and schools in a geographic region which will be considered together to develop proposed structural options for the future. There are 15 planning areas in the Archdiocese.

WHAT IS A MODEL? A model is an option as to how parishes in your Planning Area could be structured. The models are "unfinished" because they need parishioner and community insight and feedback. The purpose of the Listening Sessions is to gather input on these proposed options so that a recommendation can be presented to Archbishop Rozanski for his discernment.

WILL I FIND OUT IF MY PARISH IS GOING TO CLOSE AT THE LISTENING SESSIONS? No. You will be presented with different DRAFT models for your planning area which may show merger options. No decisions will be made about specific closures or mergers until after all the Listening Sessions and additional feedback opportunities.

WILL I FIND OUT IF MY PARISH SCHOOL IS CLOSING? No. As we look to ensure a more sustainable future, it is our priority to provide an educational model that is accessible, affordable, strong in Catholic identity and more equitable towards our teachers. We are actively working to identify a solution that satisfies these criteria. While we do not have an exact date for when this information will be available, our goal is to make an announcement in advance of re-enrollment time for the 2023-24 academic year.

IF I CANNOT MAKE A LISTENING SESSION AT MY OWN PARISH, CAN I GO TO ANOTHER PARISH'S LISTENING SESSION? Each Listening Session will have information unique to the parish hosting it and the planning area in which it is located, so it is best to go to your parish's Listening Session.

DO I HAVE TO GO TO BOTH LISTENING SESSIONS IF MY PARISH HAS TWO LISTENING SESSIONS? The same information is presented at both Listening Sessions at the same parish, so you are invited to attend one of them.

STEWARDSHIP

Letter from the Archbishop of St. Louis

Dear Friends in Christ,

The call to be a deacon is to serve. **On Sunday, October 2, 2022, there will be a special collection for the formation of permanent deacons in the Archdiocese of St. Louis.** This collection relieves some of their financial burden for studies to become a deacon.

Since 1977, 505 men have been ordained as permanent deacons in the Archdiocese. There are 195 active deacons ordained for the Archdiocese and 87 retired deacons. There are 26 men in formation at this time.

When the permanent diaconate program was initiated in the Archdiocese in January 1977, men went through a two-year formation program, with a third year of post-ordination formation. Since then, the program has gradually expanded to five years of formation, plus five more years of post-ordination formation.

Deacons serve in parishes, hospitals, archdiocesan agencies, and other organizations. They offer their time, talent and energy to strengthen our church in St. Louis and do not receive compensation for their work. Their service extends into many areas of parish life, including the proclamation of the Gospel, liturgical functions, administration, and charitable works. Many active deacons continue to be employed full-time, requiring them to balance family lives and professions with their ministry as a deacon.

Please promote the special collection for the Formation of Permanent Deacons on Sunday, October 2, 2022.

Sincerely,

Most Reverend Mitchell T. Rozanski
Archbishop of St. Louis
