Dear Friends,

Congratulations are in order!

In a few weeks we will hold our annual Holy Cross Academy Legacy Gala & Auction on Saturday, November 16th, at Annunciation. It is our school's largest fundraising event for the year. In our most recent year, with the support of many of you, we were blessed to have raised 130k. These funds that were raised went well to support our school's mission of providing the highest quality academic and faith formation program where each student can develop spiritually, intellectually, and socially rooted in the Person of Jesus Christ and in our Catholic faith. The evening of the Gala begins with 5 PM Mass in church and then moves downstairs to the gym where drinks, cocktails, and dinner are served. The Gala includes both silent and live auctions, in addition to the award's presentation of the Legacy Award to one individual from each of our four member parishes. The Legacy Award recipients are individuals who have shown outstanding service and ministry to their parish and/or our school community, and who witness dedicated lives of faith in God and love of their neighbor. This year's recipients from our two parishes are: Amy Buehrle of Annunciation, and Mary Randant of Our Lady of Providence. Please join me in congratulating them, as well as thanking them for their wonderful and dedicated service to our parish communities.

To share a little bit about them both...

As a parishioner of Annunciation, Amy is currently a member of our parish council, a lector, and extraordinary minister. She has been part of PSR program serving in a variety of ways. This includes being a classroom catechist and, more recently, the Adult Faith Formation Facilitator for our parents and Curriculum Coach for our catechists. In addition to sharing the faith and her knowledge of theology at our parish, during the day Amy serves the greater Church of Saint Louis as the Pastoral Ministry Coordinator for the Northern Vicariate of the Archdiocese. In this role she supports pastors, parish staff, and the faithful of the Northern Vicariate with their pastoral needs in all areas of ministry in the parish.

As a parishioner of Providence, Mary has been dedicated in serving those in need specifically through service our St. Vincent de Paul Society, among other services. Currently, she is serving our parish with a second three-year term as the conference president of our St. Vincent de Paul Society. She has been influential in growing this most important ministry at our parish with increased membership of parishioners as we seek to serve those in need. Mary also serves as an extraordinary minister and in the past had run our scripture group for our parish in addition to being a participant of the morning Boot Camp exercise program!

These two ladies are a blessing to our parish communities, and I invite you to join me in congratulating both of them on receiving the Legacy Award this year.

Update: As we give, thanks and wish Margie Anderson well for her ministry and service of as Providence's parish secretary, please keep in your prayers our search for our new parish secretary at Our Lady of Providence.

Gratefully,  
**Father Mike**

## Statement of the Missouri Catholic Conference on Amendment 3 (Constitutional Right to Abortion)

We, the Catholic Bishops of Missouri, are committed to protecting the sanctity of human life in every circumstance and every stage of development. In Missouri, the dignity of life in its earliest stages is being threatened by Amendment 3, which will appear on Missouri's November 2024 ballot. This proposed amendment to our state constitution is an extreme proposal that would allow full-term abortion with no protections for the preborn child, including when the child is capable of feeling pain.

The proposed amendment would effectively eliminate common-sense state regulations that have protected Missouri women for years. These include health and safety requirements for abortion clinics; the requirement that only a medical doctor be allowed to perform abortions in the state; and that parents of a minor be notified before she can have an abortion.

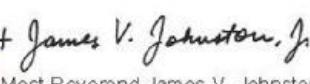

Amendment 3 would allow for unregulated abortions until viability—approximately six months into a pregnancy. After viability, the proposed amendment would create a broad mental health exception that a healthcare provider could exploit to allow abortion in the 7th, 8th, or 9th months of pregnancy.

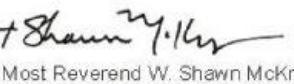

Amendment 3 would also prohibit any type of penalty for someone who assists a person in "exercising their right to reproductive freedom". This broad protection would prohibit women and families from suing an abortion provider who harms them.

The legalization and deregulation of abortion would represent a tragic step backward in our work to protect all human life at all stages. For these reasons, we urge Catholics and all persons of good will to oppose Amendment 3.
