*Dear Friends,*

As you look at today's bulletin you will notice a few changes. We have combined our two parish bulletins into one! So much of what our two parish communities do is the same and the information we publish each week is identical. As a result, it makes great sense for us to share one parish bulletin. Certainly there are events and things that are unique to each parish, but the majority of what we communicate each week is the same, and by combining our two bulletins it makes less work for our staff and makes us more efficient as a whole. What you will find in this new—two parish—bulletin, is all the important information you have been accustomed to receiving before, while at the same time discovering an occasional new thing or two that is also available to you at your sister parish. With that said, initially, parishioners of Providence may discover a couple of things seemingly missing from the bulletin that are usually included. The reason for this is that Providence has three less pages than Annunciation's bulletin, as a result of their individual bulletin contracts. So, for a short period of time, a couple of things that were included weekly in Providence's bulletin may appear less often in our combined weekly bulletin. Nonetheless, by keeping up each week with the bulletin you will not miss out on learning everything that is happening at both of our parishes. We will see how this goes and over the coming weeks we will make adjustments if we discover how to improve it in any way.

Last Sunday at Providence we had a nice reception for Margie following the 8:30 am Mass. I know that she was humbled and most appreciative of the many expressions of gratitude and love extended to her by so many of you after serving our parish community for 10 years. With her departure, we began our search for a new parish secretary. I will keep you updated on our progress with this. Please keep our search in your prayer intentions. In the meantime, I want to thank Dee De Greeff for generously stepping in to serve as our temporary parish secretary until the position is filled.

Important information related to the parish office and communication is as follows:

Dee will be in the office, generally, between 10am–2pm, Monday–Friday.

You can continue sending communication to Dee by the same email address used by Margie: [ladyprov@olpstl.org](mailto:ladyprov@olpstl.org).

All announcements for the Sunday bulletin should be sent by 8am the prior Monday morning to Barb Koch at [parishsecretary@goannunciation.com](mailto:parishsecretary@goannunciation.com). I want to offer a special thanks to Barb who generously and selflessly is always ready to pick up and help out when anything additional is needed, especially at transition times like these. I want to thank Chris Lowe, too, who is the maintenance coordinator and provider for both our parishes, who also continuously steps up to be of service to both of our communities in countless ways.

You can find the contact information for myself, Fr. Paul, and our parish staff on the front cover and page 3 of the bulletin, if we can be of service to you in any way. I appreciate your patience with us during this time of transition at Providence.

Regarding the Liturgical Calendar and where we find ourselves at this time of year....

With the celebration of All Saints this past Friday, and All Souls on Saturday, the Church is ever mindful of the Communion of Saints. This Communion includes the Saints of Heaven, the souls of Purgatory, and us living on Earth. All of us are united in and through Christ and in and through our prayers for one another. Please note the Book of the Dead can be found at the steps of the sanctuary at both churches. You are welcome to write the names of deceased loved ones whom you would like to have included in the intentions of our daily Masses during the month of November. The large candles in the sanctuary represent each of our parishioners who died this past year. In a special way we remember them and keep them in our prayers during November. Throughout the year these individual candles will be used in our sanctuary lamp next to the tabernacle. In this way, these candles will serve to remind us of our continued connection with them as members of the Communion of Saints, and that we all stand before the Throne of God awaiting the coming of His Kingdom on the Last Day.

God's peace and blessings be with each of you.

## Statement of the Missouri Catholic Conference on Amendment 3 (Constitutional Right to Abortion)

We, the Catholic Bishops of Missouri, are committed to protecting the sanctity of human life in every circumstance and every stage of development. In Missouri, the dignity of life in its earliest stages is being threatened by Amendment 3, which will appear on Missouri's November 2024 ballot. This proposed amendment to our state constitution is an extreme proposal that would allow full-term abortion with no protections for the preborn child, including when the child is capable of feeling pain.

The proposed amendment would effectively eliminate common-sense state regulations that have protected Missouri women for years. These include health and safety requirements for abortion clinics; the requirement that only a medical doctor be allowed to perform abortions in the state; and that parents of a minor be notified before she can have an abortion.

Amendment 3 would allow for unregulated abortions until viability—approximately six months into a pregnancy. After viability, the proposed amendment would create a broad mental health exception that a healthcare provider could exploit to allow abortion in the 7th, 8th, or 9th months of pregnancy.

Amendment 3 would also prohibit any type of penalty for someone who assists a person in "exercising their right to reproductive freedom". This broad protection would prohibit women and families from suing an abortion provider who harms them.

The legalization and deregulation of abortion would represent a tragic step backward in our work to protect all human life at all stages. For these reasons, we urge Catholics and all persons of good will to oppose Amendment 3.
