Dear Friends,

Congratulations to our second graders of Annunciation and Our Lady of Providence who made their First Holy Communion this weekend on Saturday morning! It's always a joyous day for our students, parents, and teachers as our children receive our Lord in the Eucharist for their very first time. We celebrated First Communion for both parishes together at Providence. We did the same for our two parishes when we celebrated their First Reconciliation at Annunciation back in December. For the next few weeks the banners of the second graders of each parish will hang in church as a way to remember and celebrate this joyous day! May the joy they feel on their first holy communion continue to be with them and all of us each time we participate in the celebration of the Eucharist.

Last weekend was the first of our three ACA weekends. Thank you to all of you who already made your pledges for this year. Each year the funds raised go to support the ministries that benefit so many individuals in need across the archdiocese. Please be sure to watch the ACA video that we are including in this Sunday email. It is informative and provides insight into the many ways the ACA serves so many. Please prayerfully consider making a pledge to support this year's ACA. It is money well spent to help our brothers and sisters in need.

Gratefully,

Father Mike

STEWARDSHIP

Called to be Messengers of Hope

The Archdiocese of St. Louis' Annual Catholic Appeal allows us to come together to be Messengers of Hope through a wide range of programs and initiatives that bring the light of Christ to so many throughout our communities and in our parishes.

Reaching Out to Those in Need

"It drags you down, being in this situation, so surrounding yourself with positive people really helps. And people here (at Bridge of Hope), you can tell they genuinely care for you. When I got here, I felt safe. I wasn't scared anymore."

- Sara

Bridge of Hope is a new emergency shelter and crisis stabilization center near Troy, the county seat of mostly rural Lincoln County. In partnership with different faith and civic organizations, including Catholic Charities, it provides short-term housing for men, women and families in need. It also connects them with ongoing support and critical resources such as health care and access to mental health services.

Your sacrificial giving to the Annual Catholic Appeal serves the most vulnerable in our communities with dignity and compassion, providing hope through affordable housing and emergency shelter services combined with comprehensive case management, to help them regain self-sufficiency.

Leading Our Youth to Christ

"Unexpectedly, they (the campus ministers) became a source of healing. Some simply gave a space for me to share hurts and experiences that I did not know needed to be voiced. Others lovingly encouraged me to lean into all that I am and see my true identity as a daughter of God. The ministers formed me to be a servant leader who practices seeing Christ in others and meeting them as He would, regardless of what is required of me."

- Jenny, Washington University

Newman Centers provide students at five local college and university campuses with a "home away from home" where they can support each other in living and growing their Catholic faith. Through opportunities to gather, study, serve, and pray together, they share the hope of Christ with other students on their campuses.

Your stewardship of the Annual Catholic Appeal supports the Newman Centers that invite young people into relationship with Jesus Christ, provide them with communities of hospitality, and form them for their active roles in the Church and the world.

Serving Our Parishes

"I learned through formation and serving as a deacon that faith in Christ and being a disciple of Christ is a call to service. Through my ministry, I am called to represent Christ the servant. This can only be done through humility, by dying to self and allowing Christ to work through me in service to His Church."

- Deacon Daniel Darian

Strengthened by the sacramental grace of Holy Orders, deacons serve in parishes, hospitals, archdiocesan agencies, and other organizations. They offer their time, talent, and energy to strengthen our Church in the Archdiocese of St. Louis. Their loving service extends into many areas of parish life, including the proclamation of the Gospel, liturgical functions, administration, and charitable works. The Permanent Diaconate Program includes at least ten years of intensive formation both leading up to and following ordination.

Your generosity to the Annual Catholic Appeal supports the formation of these men who have answered the call to share Christ's hope as they serve the needs of the people of God.

First Communion

Congratulations to the young men and women who received the Sacrament of First Holy Communion on Saturday May 3rd at Our Lady of Providence Church!

Annual Catholic Appeal Donations

If you chose to make a donation to the Annual Catholic Appeal via check, please make checks payable to the Annual Catholic Appeal and not Our Lady of Providence or Annunciation. Thank you!

Faith in Action

Members of the Faith and Immigration Justice class from both our parishes filled 12 volunteer spots at the St. Pius V food pantry on April 15th. We witnessed a beautiful program which provides sustenance and hope to all those in need, including our immigrant brothers and sisters, guiding them through bureaucratic mazes while affirming dignity. We were so honored to be pilgrims of mercy, drawing strength from the tabernacle to apply to real life social justice!

Also, the Justice Seekers of Our Lady of Providence and Annunciation parishes were honored to receive a grant in the amount of \$2,000.00 from the Catholic Campaign for Human Development on March 20, 2025. In partnership with the Criminal Justice Ministry of St. Louis, we will use these funds to create a community garden space for formerly incarcerated CJM clients transitioning to reentry into society, maintaining these gardens and teaching clients and their children how to sustainably garden and grow their own food. By growing fresh vegetables and herbs, CJM clients will have greater access to healthy foods that many struggle to obtain after being released from prison. This project will also include programming led by CJM's case management and behavioral health team, utilizing gardening and community building to address clients' mental health and life-skill-related needs. Furthermore, The Justice Seekers are truly grateful for CCHD's support to allow us to put Catholic Social Teaching into action!
