PSR #Get Connected—May 2021

The Season of Sacraments

Please keep our 8th Graders and their families in your prayers as they prepare for Confirmation at the New Cathedral on Sunday, May 16, 2021. It will be a beautiful ceremony for all children and families in 8th Grade PSR and HCA. The Mass will be live-streamed by the Cathedral for those who are not immediate family.

2nd Graders are celebrating their First Communion this first weekend of May. They have prepared throughout the year with their families and

catechists, and we are very proud of all them! Thank you for keeping them in prayer. This past month students had fun making their banners with their parents. They were excited to show off their banners at our 'Banner Zoom Party'. They did a great job! You will be able to see their banners hanging in the back of church after First Communion.

PSR Registration Next Year

PSR Online Registration will be opening in early May, so keep an eye out on the Annunciation website. With the situation of the pandemic improving and more vaccinations happening every day, we are excited to announce that PSR will be in-person when we begin in September. I know all of the children (and families) are looking forward to returning safely and interacting with their faith community more. This PSR year has only a few weeks remaining and we want to thank all of our catechists, ministry team, parents, and children for their perseverance this year and for being part of our PSR family.
