Our Spiritual Home

PSR students of all grades participated in various liturgical roles during the Ash Wednesday Parish Mass. Praying together in our spiritual home was a beautiful way to begin Lent. We are proud of the children and grateful to the parents and ministry team for their support. Family liturgies are central to PSR because celebrating the Eucharist together is at the heart of our Catholic lives. It is how we all come to know, love, and serve our Lord, Jesus Christ.

Living the Gospel

PSR classes focus on the Mass and connecting students with Jesus, through prayer and service in love to others. Our first graders grew in their understanding of the Sunday Gospel last week by enacting the story of the Transfiguration for the fourth graders.

Our third graders are studying the various parts of the Mass. They drew pictures to portray what happens during each part of the Mass. They put the pictures together to create "My Mass Book" to bring home and share with families. Their catechist also provided cards for the children to write special messages of their prayers and good wishes. They sent them to some of our parishioners who are sick, hoping to brighten their day.
